

English Language Podcasts

Posted by Peter on 25 December 2005

This is a selection of other podcasts for people learning English

>> [ESL Pod](#) is a well-known podcast produced by the Center for Educational Development in Los Angeles, California. The center also produces the [English Through Stories](#) for advanced speakers of English. (American English)

>> [EnglishCaster](#) is a listing of podcasts for learners of English.

>> [China232](#) has podcasts, English lessons and a lively discussion forum.

>> [Better English with Catherine](#) is for Japanese speakers, and comes from 76.1 Inter FM in Tokyo

>> [The English Teacher John Show](#) is also produced in Japan, but has a wide listenership around the world (American English).

>> [BBC Radio](#) produce a growing number of podcasts of their programmes (British English).

>> [Storynory](#) produce podcast stories for children which may be helpful to learners of English (British English)

>> [Englishpod.com](#) produce regular podcasts, at present only for more advanced English language learners, integrated with a range of other language learning tools, for which there is a small charge.
