

Top ten words and phrases

Posted by Peter on 12 March 2010

The [Bitesized languages Blog](#) has an interesting post about the top ten words and phrases which you need when you begin to learn another language.

Why not compile your own "top ten" words and phrases, and post them as a comment either here, or on the Bitesize Languages Blog.

This is the text of the podcast at <http://www.listen-to-english.com/index.php?id=519>,
